News has just broken that not only are their going to be the soon to be released Webkinz Junior but a select series of webkinz pets called **“Webkinz Signature Pets”**.

There is little to know about these super secret Signature Pets at this stage but we promise to update you as soon as we know more. Rumors are that they are going to be released in early April and that they will be a great hit.

The Webkinz Signature Pets are going to be re-created to be life like and will be of superior quality, and perhaps slightly larger products than the normal webkinz pets.

These Webkinz Signature Pets have not been released yet (except that we know the first one will be the above Webkinz Signature Panda) but be sure to sign up to our free newsletter on our homepage to be notified as soon as they are released.
